CAPTAIN'S MESSAGE

BY INGRID KERREMANS

CAPTAIN'S MESSAGE

LATEST NEWS

This is my first newsletter as your captain. In this responsibility my first act was to take care of some nerves during my drive in and first speech after the club championship. Nevertheless I want you to know also on behalf of Rob Walsh, my vice captain and the rest of the committee, that I am very much looking forward, with your help, to make the next golf year a very enjoyable and inclusive experience.

I also want to thank our valued members Maria João Ventura, Jacky Jones and Martin Playell who have supported through various functions and committees but decided to step down. Their place will be taken by Nikki Playell and Eamonn Witter. We wish them a good start.

For those who could not attend, my drive came to a halt after 131m already but the winner was the charity foundation for which the betting generated €315.

The charity also benefitted from my parking spot auction, uniquely and cleverly managed by Vincent Dowling, who found a generous winner in Hans and Lena Fjarem for €700. Many thanks.

My captaincy objective for next year is to find the right balance between socializing and competitive golf.

COMPETITIVE AND SOCIAL PERSPECTIVE

TOURNAMENTS

From a competitive perspective there will be the usual Monday, Wednesday and Friday golf. The weekend will be full of pairs and Orders of merit.

We will however introduce similar to the race to Dubai or the Fedex cup "the road to Praia D'El Rey". You can read more about this highlight at the end of this newsletter.

To create a fair and level playing field we want to adhere to -a draw is a draw- at convenient Tee times.

From a social perspective we will continue with the national days. The first one is the Dutch day. Please sign up if you like our special Dutch/Indonesian food for the 15th of September!

We also want to restart the away trips. Because of my Shanghai history you can already pencil in a trip to Quinta do Peru, with a dinner afterwards in the best Chinese restaurant in Lisbon during the Chinese New Year celebration in January!

“

I REALLY WANT TO WANT EXTEND MANY THANKS TO THOMAS AND SABINE FOR THEIR LASTING COMMITMENT AND PERSISTENCY TO MANAGE A GREAT GOLF YEAR DESPITE THE PANDEMIC!

COMMUNITY

CAPTAIN'S CHARITY

October 5th - A number of PDR Peddlers are challenging themselves with a Cycle on behalf of the Captains Charity from Cascais to Praia D'El Rey. The funds raised will go towards a new walk-freezer (4000 euros) for Refood Caldas de Rainha.

For information on participating either all or part the cycle route please email Stephen Cottrell pdripedallers@gmail.com. If you are unable to participate but would like to support the Charity cycle, donations can be made to the Captains Charity account:

ROAD TO PRAIA D'EL REY

COMPETITION

WHAT IS IT

This is a final tournament on the 23th of July where the best 30 players and ties of the season will compete to win the Copa D'El Rey.

This very well sponsored tournament, by main sponsor Rey Estates (Thanks Tom) and with the support of Francisco will have the equivalent of a prize fund in excess of €2000!!!

HOW DOES IT WORK

A point system for the Roll up will be effective as of Wednesday 18th of August till the 20th of July next year. 4 Major roll ups will be introduced to gain double points.

HOW DOES THE POINT SYSTEM WORK

- On every Wednesday the amount of players equals the amount of points available. For example 40 Players equals 40 points.
- The points will be allocated to the top 10 ranking of that Wednesday.
- The point allocation is based on a fixed percentage by ranking. The higher the ranking, the higher the percentage.

Example: 40 players, ranked #1, 100% means 40 points.

Ranked #2, 80% means 32 points.

- Major roll ups will have double points. 40 Players means 80 points. No change in % allocation.

-All points will be added till the 20th of July.

-Format is stableford

Players		10	100	40
Ranking	Share	Points	Points	Points
1	100%	10.0	100.0	40.0
2	80%	8.0	80.0	32.0
3	65%	6.5	65.0	26.0
4	50%	5.0	50.0	20.0
5	40%	4.0	40.0	16.0
6	30%	3.0	30.0	12.0
7	20%	2.0	20.0	8.0
8	15%	1.5	15.0	6.0
9	10%	1.0	10.0	4.0
10	5%	0.5	5.0	2.0
11+	0%	0	0	0

HOW TO QUALIFY

3 ways to qualify:

Obviously the more Wednesday's you play the bigger the opportunity to qualify. However to facilitate the less frequent players (because of travel restrictions) and to also support the weekend players there are more ways to qualify like in the Ryder cup!

- 1.The winner of a major will qualify directly!
- 2.The top 5 of the OM's in PDR and WC also qualify directly.
- 3.The remaining spots will be filled up till 30 and ties from the ranking of the roll up.

On the 23th of July all qualified players have an equal chance to win of the Copa Del Rey!

Play well!
